Terms:

FOB our nursery, cash or check. We deliver orders of \$50.00 or more.

BR means bare root, for Spring sales only. Container stock may be planted anytime.

Guarantee:

We are able to save you the sizeable extra cost of paying for a guarantee because

1. we offer plant material which we have grown here in our nursery and which has been freshly dug or in pots at least a full season and

2. we do not feel obligated to penalize the large majority of good gardeners for the benefit of the careless or uninterested ones.
